RECREATION CENTRE

WILL THIS BE

ST. ALBERT'S RECREATION CENTRE?

For some time now there has been talk in St. Albert of a Recreation Centre. This feature, therefore, is presented with a view to informing all interested citizens of the St. Albert and District what a Recreation Centre would consist of and the preliminary steps to obtaining one. The above picture represents an artist's concept of the possible appearance of a St. Albert and District Recreation Centre which would consist of the following facilities:

Swimming - A complete all year round swimming facility would be provided with a regular full sized swimming pool plus a diving pool equipped with three diving boards. With the pool would be a large sliding bleacher that could be folded against the wall when not required for public demonstrations.

Recreation department - Full facilities for the recreation department offices, club rooms, etc. would be provided.

Community Hall - The Centre would provide a replacement for the community hall that would include an assembly room capable of seating five hundred at a meeting, dinner or any function including recreation programs such as dancing, gymnastics, etc. This room would also have kitchen facilities that could be the centre of a full cafeteria or any lunch or refreshment services that might be required.

Auditorium - Arena - The Centre would include an auditorium with a bowl capable of seating 3000 persons and a floor 100' by 20' equipped with an artificial ice plant. This area would be suitable for archery, tennis, badminton, concerts, large dances, bingo, horse shows, hockey, figure skating, public skating, carnivals, ice shows, you name it.

Parking - Parking facilities for a minimum of nine hundred cars would be provided.

Other Facilities - The Recreation Centre would include sufficient property to eventually provide track, baseball, tennis,

and football facilities that would be adjacent to the dressing room, shower, rest room and refreshment facilities provided by the Centre. The plan of the Centre would also be designed to accommodate the addition of a curling rink when the growth of our town would necessitate additional ice.

Already the council has received permission to borrow up to \$244,000 to build the pool and dressing rooms as the first stage of the Centre. The next step is to assemble the proper site. To accomplish this the Town council has a representative working for some time attempting to complete the necessary arrangements. After the property is secured, then the people of this community will need to embark on an all out effort to raise the necessary financing. In order to organize this effort the Chamber of Commerce has fathered the St. Albert & District Recreation Centre Committee that is composed of a representative of each of the service clubs and organizations in the district.

Band Instruments at Protestant Schools

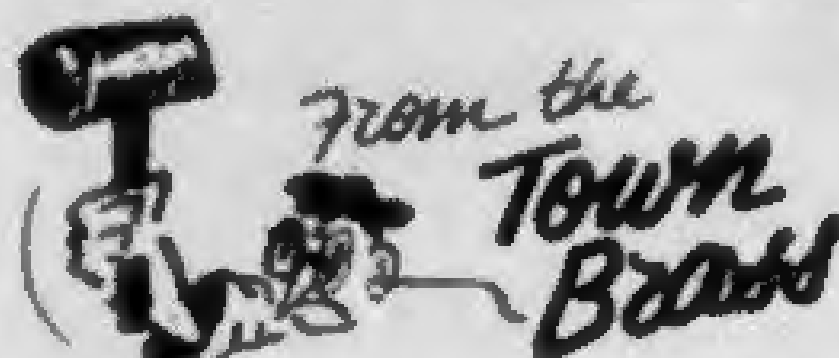

Nominated by Don Harvey, George Walker was elected new Chairman of the Board for the coming year. Dr. Jato was elected Vice-Chairman. In his opening remarks Dr. Walker thanked Dr. Jato for the service he had rendered the Board during the last year.

Application for classroom space for the St. Albert Protestant School was heard by the Board. Chairman Walker stated that there was no available classroom space at the present time but that he would see that the whole matter of kindergarten space would be taken up by the Education Committee Chairman. Dr. Russell objected to "the unnecessary inconvenience to groups of people who attend the Board meetings under the impression that there will be a full discussion of their problem and are sent home without either a discussion or an answer." Dr. Walker stated that he felt that the committee system would solve this problem. Justified Angermeyer were appointed. Don

Harvey - Finance, Robert Russell - Administration, Geo. Walker - Lands & Buildings, Dr. Jato - Recreation, Doug Petherbridge - Education.

The Board approved the recommendations of the oral French program in schools and approved the purchase of \$2,500 worth of equipment including film strips, tape recorders and projectors. The Board also approved the purchase of \$1,000 worth of band instruments. Bill Pegrose, well known as the capable Chairman of the Election Tallies, was appointed in the vacancy as Secretary-Treasurer of the Protestant School District. His duties will commence the middle of November.

QUESTION PERIOD FOR GALLERY

Next Council Meeting, this Monday, November 8th, will see for the first time a question period for the Gallery starting 15 minutes before the official Council Meeting. If such a question period is a success then it will become a regular event. With this question period, Council will give all of us a democratic opportunity to exchange views with the Town Brass regarding all problems and questions that you have had such a long time in mind. Don't disappoint Council by not attending at the Council Meetings! Question Period time is from 7:15 until 7:30 p.m., this Monday at the Town Hall.

Council Meeting, October 25th (continued)
Urban Renewal Scheme - Downtown Area - Upon the recommendation of the Public Works Committee, the Edmonton Regional Planning Commission, was investigating an Urban Renewal Scheme for the Downtown area. Recently a proposal for this had been forwarded to the Provincial Committee dealing with Urban Renewal Schemes, the Alberta Housing and Urban Renewal Committee. A Letter from this Committee to Mr. Marilyn was presented and read by Mr. Wheatley, in which it stated the Com-

CALGARY POWER FRANCHISE

mittee considered development of the matter at a recent meeting, and at which time it was tabled. The Committee had requested that a Technical Report be prepared by the Federal and Provincial Technicians for its consideration. It was further stated that this was the normal procedure taken with these applications, and that the Committee anticipated a reply for the next meeting of the Committee, on November 3, 1965.
Sturgeon Road - Maintenance - Councillor Wheatley raised the matter of Sturgeon Road maintenance, not being on a par with the continuance of this road, under the maintenance of the County of Sturgeon. There is a marked difference in the condition of the road inside the Town and the road outside the Town. He raised the question as to whether the Towns Engineering Department could bring the condition of this road up to Municipal District Standards. The Engineer stated that this expenditure could possibly be considered in the 1966 Budget. Councillor Wheatley moved that the Engineering Department provide a report of the approximate cost of graveling and grading these roads to a standard comparable with the Municipal District to enable Council to consider it for the possible inclusion in the 1966 Budget, and that this report be referred to the Joint Committee.

Calgary Power - Franchise - Councillor Wheatley queried as to whether there was anything further to report as a result of resolution (3769). Mr. Wheatley advised that a letter was sent to Mr. Howard, President of the Company, and that a letter had been received from the General Manager in Calgary stating that this matter would be taken up with Mr. Howard after which a meeting would be arranged with the President of the Company and the Council.

MEDICAL SOCIETY

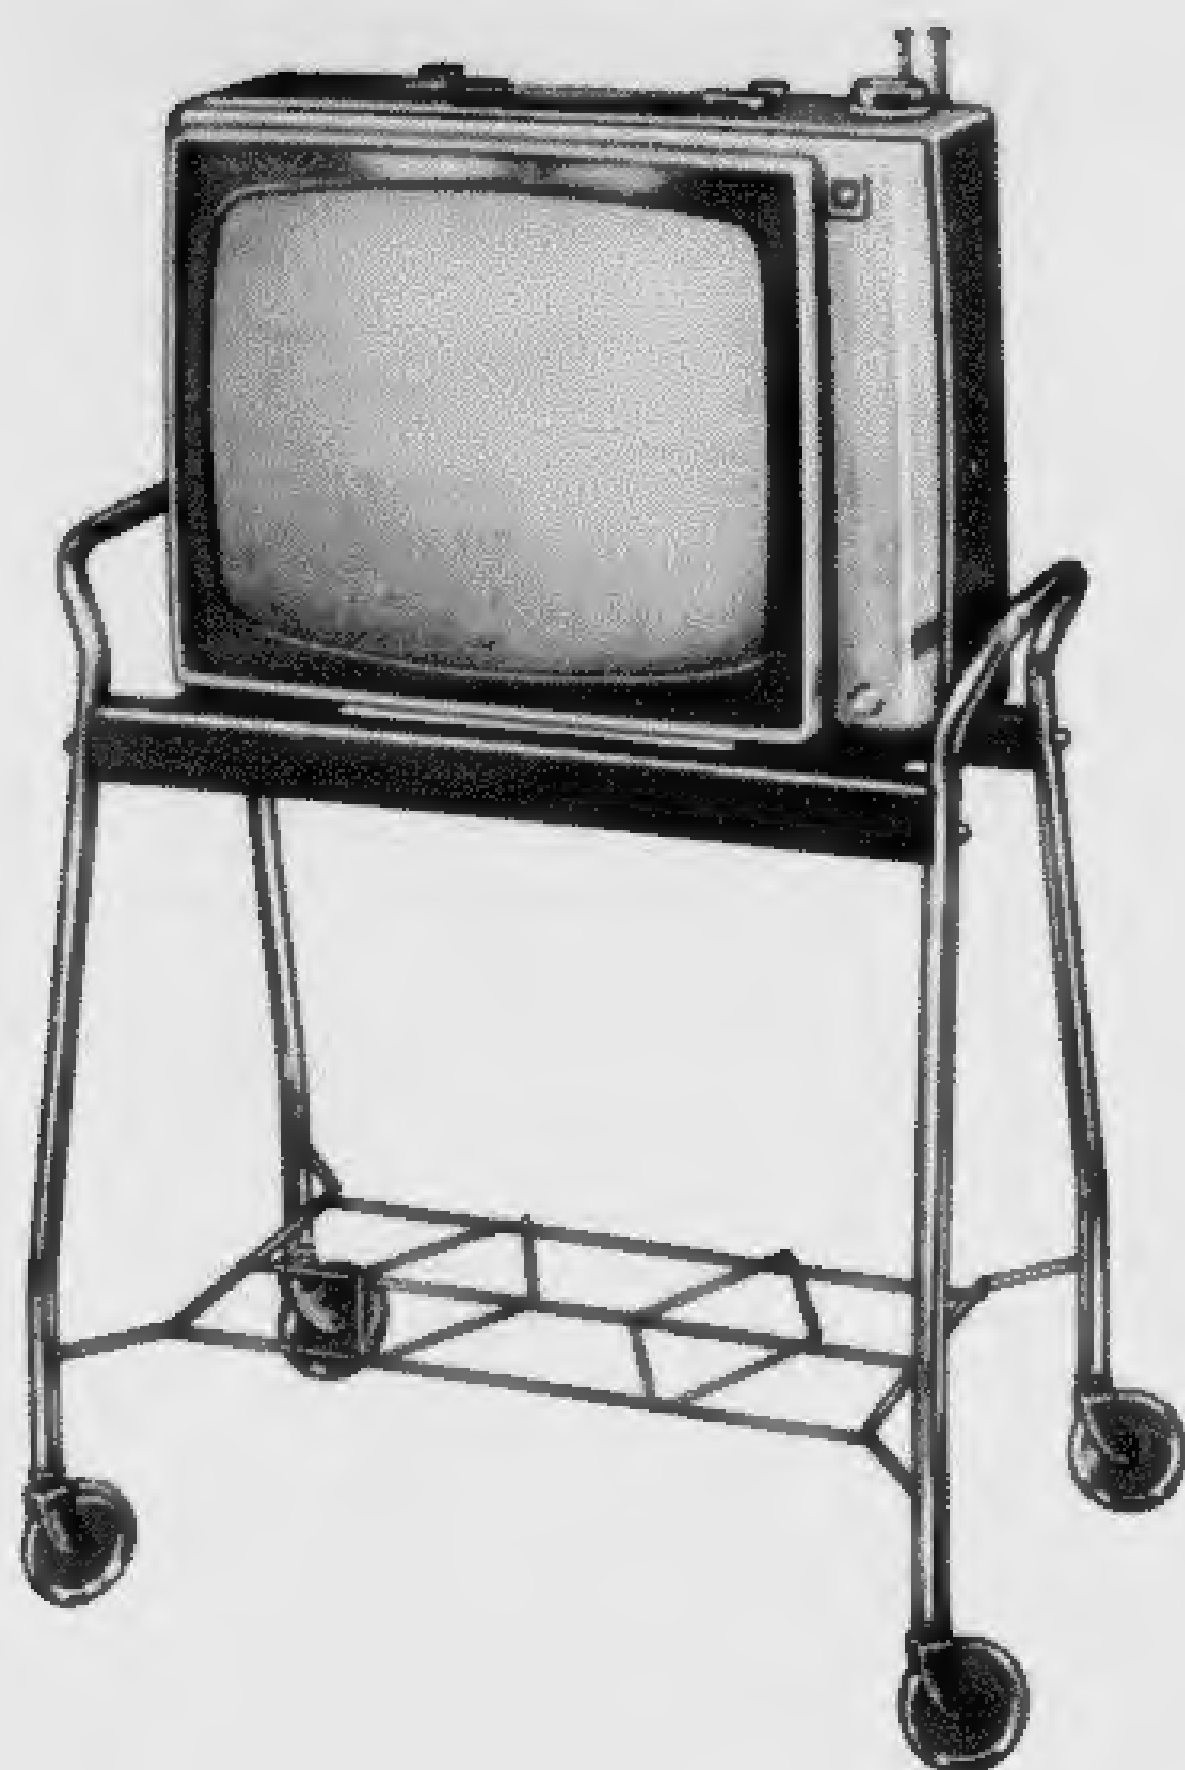

St. Albert & District Medical Society

The monthly meeting of the above society was held in the Board Room at the Sturgeon Health Unit Office in St. Albert on Monday, October 25, 1965. Twelve members were present, including Drs. Sheppard and Young of Fort Saskatchewan who are now active members of this Society. The guest speaker was Dr. S. Kling, Head of the Department of Continuing Education at the University of Alberta, who spoke on the origin, constitution and modus operandi of this department insofar as post-graduate Medical Education was concerned.

LOVE IS THE TEACHER

By Florence Lefebvre

Voices of school children playing before the bell rang to summon them to classes pierced the crisp October air giving evidence of energy in abundance, young bodies functioning so naturally, obeying every impulse, a game quickly organized, a sudden rush to meet several friends, a quiet conversation between classmates or shouted greetings to approaching friends all came to a sudden halt. Alert patrol, guarding the intersection relaxed their vigilance, joined companions entering the main front doors of the St. Albert School. Their absence left the scene exactly as it had been half an hour earlier, quiet, hushed and waiting it seemed for the gaiety of students enjoying the reprieve of recess.

As I had watched and listened to this morning's ritual in the schoolyard from my vantage point at the corner of Grandville Avenue and Grosvenor Boulevard, my mood changed to one of melancholy and I reminisced. Passing cars in swift succession awakened me to the reason for my waiting, and I continued to watch for the small bus which would take me to my destination. It appeared, and on entering I also entered the lives of the occupants, all strangers, knowing that I would know them well before my mission was complete. We were introduced as we sped along boulevards, avenues, streets, and crescents, picking up passengers seated comfortably by our driver, Mr. Isert.

Mrs. Lefebvre is standing beside the bus which carries St. Albert children who are attending the Aphasic Pre-School in Edmonton. This bus leaves every morning at 9:00 A.M.

Bright, sweet young faces popped out from every seat, greeted each other as they do every day, lunch bags and kits clutched tightly in small possessive hands. Anxious mothers opened doors for the young student, and waved happily as smiles were evident from fellow passengers. Genuine interest in each other showed in many ways as we left St. Al-

bert. Lori was quiet and reserved. Claire said the trees were pinkish, reddish, orangish and blackish. In the back seat Doug was quietly amused while Patti played.

We proceeded to cross the North Saskatchewan river, on to the South Side, where we were joined by one of the Teachers, Mrs. R. Cotro, and little Aris. Our bus came smoothly to a standstill as we arrived at the doors of the Strathearn United Church Hall, 8510 - 95 Avenue which is the home of the Aphasic Pre-School. In us the students of St. Albert had arrived for another day of learning, playing, eating and short periods of rest, all part of special programming Mrs. Ungar, Director, and Mrs. McHugh, Teacher of the second classroom, and Mrs. Ochman, a volunteer, met us at the entrance stairs which led into a hallway. I saw special low hooks on the opposite wall which even the smallest pupil was encouraged to use as each coat was removed and lunch kits carefully stored. Excited conversation is encouraged at this point as the children are guided through preparations for the beginning of classes. Other children entering added to the confusion, happiness reigned as one by one they made their way and took their places.

I entered the first classroom which is very bright and simple in its furnishings. Walls are almost devoid of pictures, suggestions of projects or past works of art, which might distract these young children. A large picture of Christ on the wall facing us, dominated the attention of those in the room. Five low spacious tables accommodated two pupils on one side only, while shelves were generously stacked with bright toys and necessary supplies.

Mrs. Cotro, Mrs. Ochman and I stood at the head of the class of ten pupils, seven girls and three boys. Seated at the first table to our right was Lori and Patti, then Shelley and Monica and Linda and Aris made up the front row, while across sat Lori-Ann and Jill, and Howie and Kevin in the second row.

"Good Morning, Children" said a smiling Mrs. Cotro. Some answered loud and clear, while others did as well as they could, and sounded just as enthusiastic. The same greeting was extended to Mrs. Ochman and I, and it sounded almost like a prayer, a blessing.

Mrs. Cotro spoke again. "Today is Thursday". "Yesterday was Wednesday." Every syllable is deliberate, patiently repeated, with emphasis on difficult pronunciations. Some are relaxed, some active eagerly raising hands, some still a bit sleepy. (continued in next issue).

-NOVEMBER-

November - The name is derived from the old Latin calendar *Novus*, its ninth month. The color suggested for the month is dark blue and red. Topaz is the birthstone, meaning Fidelity. *Antezanthus* the mum in the flower.

Hallowe'en being on a Sunday, special parties seemed to crop up during the days - Friday, Saturday and Sunday, making it a fun-packed weekend!

I wonder who enjoys the children collecting treats most, the one who gives or the one who receives? The spirit of masquerading as someone else grips the imagination, while the grocery lists includes more treats than usual for weeks ahead. Supper always is an afterthought as dressing up often begins about four or five in the afternoon!

The first one to ring the doorbell always catches the householder in distress out somehow or other the parties placed in the front hallway at which that day is located, and the "go" signal is out. After a few hours of coaxing witches, fairies, princeesses, terrifying creature bunnies, and pirates to sing out, adults are sometimes pleased to hear their "trick and treat" collectors burst in and state, "I've got so-o much," and place their bag in the middle of the room, and take over for a while.

They too wanted the joy of giving, to feel good at the thought of doing their share. Witnessing this, we must admit there's nothing quite like Hallowe'en!

CHRISTMAS RECIPE CONTEST SPONSORED BY PERRON'S STORE

Pound of everything Christmas pudding
Combine: One pound of each of the following: flour, soft bread crumbs, sugar (brown), raisins, sultanas, currants, suet, mixed fruit or peel.
Mix with 8 eggs and a little milk - about one cup. Spices may be added. Press into bowls well greased, cover with grease paper and seal tightly with foil wrap. Steam, usually 4 to 5 hours. When heating again they should be steamed another 2 - 3 hours. This is a large amount and will fill 3 bowls of the pudding bowl sets or 3 average size. Serve with the sauce you prefer. **Butter Sauce** - $\frac{1}{2}$ cup brown sugar, 3 Tbsp. cornstarch, $\frac{1}{2}$ cups boiling water, 1 tsp. vanilla, and butter the size of a walnut. Mix sugar and cornstarch, add boiling water and bring to boil, drop in butter and add vanilla. Serve hot or warm on pudding. 1 Tsp. of Rum or brandy may be added.

Investiture - On October 17th during the Benediction of the blessed Sacrament at 7:30 p.m., the Knights of the Altar

held the investiture ceremonies of their new Executive. The Executive for this year will be: President, W. Channey; Vice President, L. Gates; Secretary, J. D'Haene; Treasurer, S. Fraser. Congratulations to the new executive and sincere thanks to those who served during the past year.

Star of the North - For the year 1965, the last of the Youths retreats have come to a very successful end. During the High School Boys Retreat over fifty were present during the retreat which began Thursday, October 7th until Saturday the 9th. Besides lectures by the Staff of the Star of the North, Doctor J. Moreau of Edmonton and his wife also lectured, with retreatants participating in question and answer periods. Enthusiasm in varied programs abounded as three seminarians from St. Joseph's Seminary added vocal and orchestral music to prayer periods.

University Students attended separate Retreats. Forty boys registered from October the 22 to the 24th. Sixty-five girls attended on October 15 to 17th with 39 more registered to take part on the 26 and 28th of November. All these young people in serious contemplation of themselves in relation to God expressed the hope that in the near future their own Retreat House would become a reality. **Single Men's Retreat** - December 17 - 19. Call early for your reservation at the Star of the North.

Change of Mass Schedule - Effective Nov. 7th - Sunday Mass: 7:00 a.m., 8:00 a.m. (French), 9:30 High Mass, 11:00 a.m., 12:30 and 7:30 p.m.

Rectory: 599-5458, 599-6468.

UNITED CHURCH

A very happy and historic event took place on Saturday, October 30, when the manse was made ready for occupancy, and the Rev. & Mrs. Leonard Rusto and children moved in. Many willing men of the congregation turned out Saturday afternoon to move in furniture, while women served coffee and helped straighten things around in the house. A hearty thanks is extended to all those who willingly gave their time, cars and trailers for this move.

The Session of the church passed the motion at their recent meeting that two services and two Sunday Schools will be conducted every Sunday morning, one at

9:30 a.m. and the other at 11:00 a.m. beginning on the first Sunday of the new year. It will require this amount of time to reorganize the Sunday School, find an organist for the first service, and organize a Junior Choir. More teachers and helpers will be required for the Sunday School. Further details will be forthcoming from time to time. The Explorer group for girls 9, 10, 11 is well under way, and more girls are welcome to join. They meet every Tuesday after school in the lower Church Hall.

A considerable amount of interest is being shown about forming a discussion group on the book, "Jesus Christ and the Christian Life". An organization meeting is planned for Wednesday, November 3 in the church sanctuary at 8:30 p.m. Our monthly evening service of hymn singing and inspiration will be held this Sunday evening at 7:30. All are welcome. Children baptized at the morning service on Sunday, October 31 were Richard, Cheryl and Charlene Blakney. Mr. & Mrs. J.S. Blakney and family have come to St. Albert to live, just recently.

PRESBYTERIAN CHURCH

There will be a congregational banquet at the St. Albert Community Hall on Friday evening starting at 6:30 p.m. Everyone is welcome. Phone 599-7614 if you have not already indicated your plans to attend.

The congregation will be interested to learn that Rev. Jesse Bigelow of Westmount Church, who guided our congregation in the early days, was elected Moderator of the Synod of Alberta in Calgary last week. Mr. Jarvis was named as Convenor of Christian Education for the Synod. Communicant classes are held weekly at the home of Mrs. Bill Hanna, 47 Willow Street on Thursday evening at 8:30. An every member home visitation will be held this coming Sunday afternoon.

SUNDAY PROGRAM Edmonton Public Library

A Sunday concert on November 7th from 2 to 3 p.m. in the music room. This week Brahms Piano Concerto No. 2 in B flat, Op. 83, with Sviatoslav Richter, pianist and the Chicago Symphony Orchestra, with Erich Leinsdorf conducting, will be presented. Admission free.

Also a Film Program will be presented on Sunday, November 7th at 3:00 p.m. which will include "Attik" and "Montreal - Manicouagan."
